Welcome

Message from ACBT's Principal

The world is integrating rapidly.

Once distant societies are merging economically, socially and politically. And higher education needs to assist students to understand these rapid global changes – locally and internationally.

Australian College of Business and Technology (ACBT) offers you education with cutting-edge facilities to give you the knowledge, skills and self-confidence to meet the challenges of global integration.

Your decision to join ACBT is not only very wise, it will point you in the right direction.

ACBT works in association with Edith Cowan University (ECU), Perth, Australia. ECU recognises the recent global changes and trends, and its core work of teaching and research is constantly changing to reflect these global phenomena.

As a result, ECU degree programs are up-to-date and its graduates will enjoy successful careers. In addition, ACBT study programs provide you with efficient and convenient connectivity to pursue university education at ECU and other major universities elsewhere.

At ACBT, you will have educational opportunities that match your individual needs. I wish you every success with your studies.

Dr. Chandana Aluthge (Ph.D.)
Principal

Australian College of Business and Technology
Sri Lanka

Message from ECU's Vice-Chancellor

Thanks to our long and successful partnership with ACBT, students can benefit from established academic and English entry pathways to Edith Cowan University (ECU) for international students.

ECU provides the ideal learning environment for people who want to reach their potential. Our industry-relevant courses, supportive study environment and award-winning facilities enable ECU students to do more than just survive in this world – they thrive in it.

ECU courses are developed in consultation with industry, and teaching staff have extensive industry experience and networks. It's why ECU students can expect placement opportunities, fieldwork, practicums and networking events as part of their studies.

This approach has been rewarded with five star ratings for teaching quality for 12 years in a row in the Good Universities Guide.

I hope your pathway studies are successful and satisfying and I look forward to welcoming you to ECU in the future.

Professor Steve Chapman
Vice-Chancellor CBE

Edith Cowan University

About ACBT

Australia College of Business and Technology (ACBT) has been a pioneer in Australian higher education in Sri Lanka since 1998 and is partnered by world-renowned NAVITAS group, with 130 colleges around the world in over 31 countries.

ACBT offers an integrated pathway into Edith Cowan University's (ECU) undergraduate degrees via a wide range of University Foundation Programs (UFP's). ACBT offers Australian Accredited Diplomas and Advanced Diplomas through Edith Cowan College (ECC) in Perth, Western Australia.

ACBT also offers selected bachelor and postgraduate qualifications in association with ECU. ACBT's professionally focused degree programs provide an opportunity for Sri Lankan students to earn an Australian degree from Sri Lanka at an affordable price, or to transfer to ECU or many other NAVITAS-partnered universities in Australia and other countries.

Getting Ready at ACBT

Pathway to Australia

Degree pathway into one of Australia top-rated universities.

State-of-the-art campuses

Excellent study location with state-of-the-art university campuses in Colombo, Kandy and Galle.

Two-year degrees

Complete your Bachelor degree in two years (instead of three years) for most courses.

High employability

Wide range of career options and high graduate employment rate.

Small class sizes

Small class sizes mean you get more personal attention from lecturers.

1,300 students

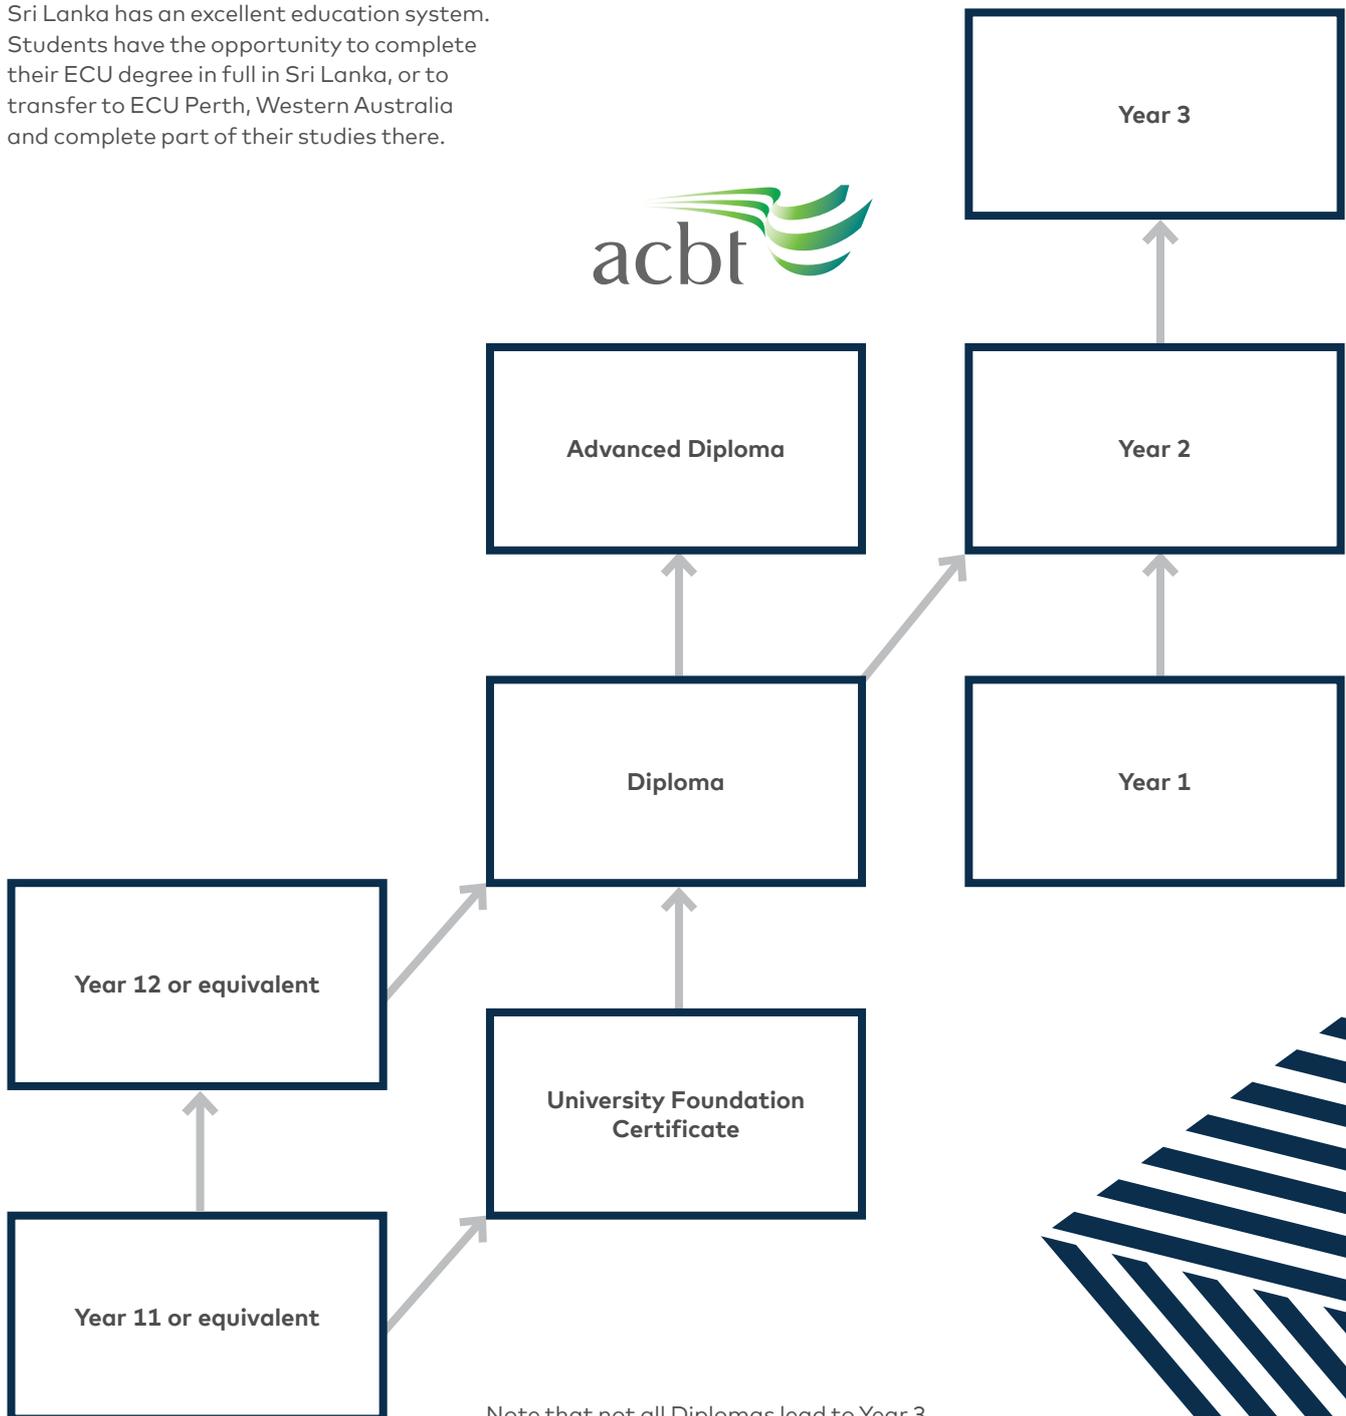

1,300 students including Sri Lankan and international students from all over the world.

ACBT – Your Pathway to Your ECU Degree

Sri Lanka has an excellent education system. Students have the opportunity to complete their ECU degree in full in Sri Lanka, or to transfer to ECU Perth, Western Australia and complete part of their studies there.

Note that not all Diplomas lead to Year 3

Why Study at ECU?

We equip you with the confidence and practical skills to deal with whatever challenges may come your way, no matter where you are in the world. We have direct links with industry and organisations, which means you get hands-on experience while you're studying. Our degrees are internationally recognised and a considerable number of courses are professionally accredited by a variety of national and international organisations. Your learning extends beyond the classroom with our practicum, work integrated learning, and internships.

Sri Lanka – Study and Live in Paradise

Home to slightly over 20 million people and often referred to as the Pearl of the Indian Ocean, Sri Lanka is a friendly and multicultural nation. Sri Lanka boasts a wide range of tourist attractions, including sandy beaches, rainforests, cultural and historic attractions and unique wildlife. The country has excellent infrastructure with state-of-the-art communication and information technology, reliable public transport and an efficient public and private sector. English is widely spoken in Sri Lanka and is one of the country's official languages.

Climate

Sri Lanka has a tropical climate with a wet and dry season. It also has two monsoon seasons — May to August and October to January. The climate is reasonably temperate throughout the rest of the year. Kandy has a cooler climate than Colombo.

ACBT Campuses

Colombo Campus (Colombo is Sri Lanka's Commercial Hub)

ACBT Colombo Campus is located in the heart of Colombo, the bustling capital city of Sri Lanka. Colombo is vibrant, fast paced and has a rich colonial heritage. It offers many activities, excellent shopping, venues for socialising, libraries, cinemas, sports arenas and more.

Kandy Campus (Kandy is Sri Lanka's Cultural Centre)

Nestled among the hills and surrounded by jungle, the ACBT Kandy Campus offers students a cool and peaceful climate.

Galle Campus (Galle is Sri Lanka's Ultimate Tourist Destination)

The ACBT Galle Campus is conveniently positioned in the historic city of Galle. A Unesco World Heritage Site, this exotic trading port boasts stunning beaches, rambling lanes, and shops and markets that are a hive of activity.

Your Student Life at ACBT

Accommodation

ACBT staff can help you choose from a wide range of accommodation options in Colombo and its suburbs. These include homestays or renting an apartment or house.

Student Services

As a student, you are encouraged to access the wide range of support services and campus facilities to help ensure a smooth academic and emotional transition to university level study.

Orientation

Orientation introduces students to their new study environment. Don't miss the chance to learn about your course of study and to make friends with your fellow classmates.

Computing labs

Students have access to state-of-the-art, advanced computer labs throughout the week from 8am to 8pm. This includes access to Microsoft Office applications, the internet, multimedia applications and specialist software.

Library

The Library provides ample support, services and information for your studies, with a comprehensive collection of text books and printed media related to study modules.

Eating places

We have a vibrant mix of food choices and venues.

Bookstores

You can purchase textbooks, reference books, course materials, stationery and gifts from Makeen Books or Vijitha Yapa and other prominent bookstores and stationers within close proximity to the ACBT campus.

Sport and recreation

ACBT offers a range of special interest and recreation clubs and activities on campus, facilitated by the ACBT Student Council. Sports clubs include cricket, rugby, basketball, football and many more.

Parking

If you travel to ACBT by car, you'll find ample parking in the basement car park on campus. Additional parking is available on site outside the main building.

Cafeteria

You can enjoy a great selection of food at the ACBT Cafeteria, whilst taking in the stunning sea view from our rooftop.

Admission Requirements to ACBT

Students wishing to apply for ACBT Diploma or Advanced Diploma courses are required to meet English language and academic criteria. Not all qualifications or countries are listed and students with other qualifications should send their details to ACBT for assessment.

Applying for a student visa

There are regulations that must be met before a student visa can be issued and these vary from country to country. Information about how to apply for your student visa can be obtained from your Education Agent or the nearest Sri Lanka High Commission or Diplomatic Mission in your country.

Visit www.immigration.gov.lk/ or an agent in your home country for more information.

Conditions of enrolment

- International students must complete their course within the period specified on their Confirmation of Enrolment (CoE) and are not permitted to study part-time.
- Student visas are usually issued for the duration of the course. Information on student visa application or renewal is available at www.immigration.gov.lk/
- ACBT is obliged to report to the Sri Lankan Government any student who is not making satisfactory progress in their studies.
- Student visa conditions require a student to notify their education provider of any change to their residential address in Sri Lanka within seven days.
- It is a visa requirement that International students pay and maintain Overseas Student Health Cover (OSHC) while studying in Sri Lanka.
- You should acquaint yourself with full Sri Lankan student visa conditions at www.immigration.gov.lk/ before accepting your offer at ACBT.
- International students must meet the minimum English language proficiency requirement for entry into the course. The student will be required to enrol in the Mixed Program in the first semester of study prior to the commencement of studies at the discretion of ACBT.

How to Apply to ACBT

- For further information about the application process, speak to an ACBT marketing counsellor.

Listen to our Students' Testimonials

The facilities at ACBT are brilliant and have been tremendously helpful whenever students are in need. Classes are flexible and limited to a few students per class. There is a variety of sports available for anybody who is keen, which further helps getting along with other students. So far, my experience at ACBT has been great!

Dimitri Grebe

ACBT has been a great experience so far. The tremendous help and support offered by the faculty has helped me stay on track in order to achieve my goals. There is a variety of subjects offered and all classes are flexible, the lecturers are extremely helpful and offer much of their time to passionately educate the students. There are many sports offered at ACBT, in which students can excel in and put their talent to good use, this also helps students interact and get to know each other better. ACBT has been a great and exciting journey so far.
