## PLEASE READ:

Conditions for Deferred Examinations

A deferred examination may be granted in extenuating circumstances if a student is unable to sit a scheduled examination.

To be granted a deferred examination the following conditions must be satisfied:

- 1. The student must have attended at least 80% of the schedule classes in the unit.
- The student must have completed the semester assessment requirements as specified in the unit outline.
- 3. The extenuating circumstances must be significant and be supported by evidence.

Applications for Deferred Examinations will be accepted on medical, compassionate, and/or trauma grounds. Support evidence, clearly stating specific reasons, must be given with the application. Headaches, colds, examination nerves, 'medical condition', arriving late for the examination, misreading of the examination timetable, public transport did not run, will not be accepted as grounds for a deferred examination.

Deferred examinations will be held within one week after the scheduled examination period has finished.
