BAILA BASTIAN 2017

“Some moments in life are simply unforgettable”

The Students Council of ACBT organized a tremendous and successful event “Baila Bastian”, on the 18th of February 2017 at the Havelock City Clubhouse, Colombo 05.

The evening was entertained by three famous DJs who play for various club events in Colombo. Majority of songs of the event was ‘Baila’ and there was a session of English and RnB. Students had an amazing time.

The key reason behind organizing various events at ACBT, is to give an opportunity for students to experience and enjoy college life, not only through studies but also through extra-curricular activities, by helping them to improve their social lives by learning the key ethics and characteristics of being exposed to the corporate society.

The Platinum sponsor for the event was Seylan Bank, the Gold sponsor AEMC, the Silver sponsor Samarasinghe Windscreen brothers and the Bronze sponsors Visuamatix Pvt Ltd and Randeniya International Pvt. We would like to sincerely appreciate and thank the academic and administrative staff, who were so supportive to make this event a successful and a memorable one.

A glimpse of the next event 'SKYFALL', organized by the Students' Council of ACBT and more relevant details regarding the next event will be out soon,

STAY -TUNE.
